

To watch our streaming events you just need to go to <https://www.youtube.com>. Search for “Sentinel Public Schools”.

That’s it! You’re ready to watch Sentinel events, live on your computer/tablet/phone from anywhere. You don’t need to create any kind of account.

Pass this information on to family or friends that live too far away to see these events in person. There is no limit to how many people can watch! Events will be viewable for up to 30 days.
